

MAKE IDEAS REAL

to ensure a safer and connected world!

ROHDE & SCHWARZ

Make ideas real

Rohde & Schwarz develops, produces and markets innovative products for test and measurement, broadcast and media, cybersecurity, secure communications and monitoring and network testing areas. Founded 85 years ago, the independent company has an extensive sales and service network in more than 70 countries.

Join our Development Support Division in München (Germany) at the earliest possible date as

Strategic Intellectual Property Manager (f/m/d)

Your tasks:

- | IP portfolio management with focus on business strategy
- | Systematic support and advice for business models and strategic analysis of innovations from an IP standpoint
- | Structuring, analysis, planning and optimization of IP portfolios
- | Evaluation of IP assets in accordance with marketability and business strategy, as well as quality assurance in line with economic aspects
- | Definition of IP strategies for future-relevant topics and IP design in close cooperation with the business side
- | IP-strategic advice on the formulation of IP clauses and IP contracts in the context of the business model
- | Responsibility for planning and compliance with strategic IP budgets
- | Responsibility for transparency, fairness, legal compliance and efficiency of employee inventor compensation
- | Providing internal training courses and workshops on patent law
- | Improvement of our processes and approaches

Your qualifications:

- | University degree in electrical engineering, computer science or comparable field of studies
- | Relevant career experience in IP management
- | Industry experience, preferably in business planning, product management, marketing or consulting
- | Expertise in the areas of electrical, RF and communications engineering and information technology as well as strong interest in new technologies
- | Knowledge of German, EU, Chinese and US IP law, combined with hands-on experience in an international environment
- | Experience with arbitration proceedings and negotiations
- | Excellent entrepreneurial insight, in particular for business relationships and good instinct for practical solutions
- | Excellent command of written and spoken German and English

Our offer:

Rohde & Schwarz delivers more than state-of-the-art products – we also provide state-of-the-art employee benefits. In addition to industry-standard benefits, we offer extras such as an excellent company pension plan, flexible working hours and a wide range of cultural, sport and recreational activities. Our comprehensive, standard-setting training program is individualized and tailored to current needs. In short – we offer ideal starting conditions.

Our recruiting team is looking forward to your application. It's best to apply online with the reference number DE-MUC-50892267-004. Our colleague Svenja Langeder is happy to answer any additional questions. Kindly get in touch via LinkedIn or Xing.
