

MAKE IDEAS REAL

to ensure a safer and connected world !

ROHDE & SCHWARZ

Make ideas real

 **Company:** Rohde & Schwarz GmbH & Co. KG

 **City / Region:** Munich

 **Working time:** Full-time

 **Contract type:** Unlimited

 **Job ID:** 4591

With its leading solutions in the areas of Test & Measurement, Technology Systems and Networks & Cybersecurity, the Rohde & Schwarz technology group is one of the pioneers of a secure and connected world. Founded more than 85 years ago, the Group is a reliable partner for its customers from the private and public sectors around the globe.

Head of Strategic IP-to-Business Integration (m/w/d)

Your tasks

- In your role you will take over the disciplinary leadership as well as the management of the horizontal IP management team
- You will be responsible for the integration of IP management into planning and value creation processes
- You will be responsible for the planning and execution of customer-centric workshops and provide methodological support for the creation of future-relevant business scenarios, as a basis for the derivation of required IP positions
- You will actively shape the further development and operation of cross-sectional IP management structures, processes and tools (in accordance with DIN 77006), in close coordination and cooperation with internal patent attorneys (vertical IP management) and business managers

Your qualifications

- You have a degree in engineering or economics and have professional experience in marketing, product management or business development
- Ideally, you have a master's degree in intellectual property management
- You are experienced in moderating creativity workshops and have already practically applied various scenario techniques
- You are enthusiastic about the topic of IP management and want to proactively advance and expand the topic together with your team
- You are motivating and have a conceptual as well as strategic strength
- You communicate confidently in German and English
